

Foxarix Online Privacy Monthly Report

John Doe (Sample)

1st Report · January 2026

GUARDING YOUR IDENTITY ONLINE

Dear John Doe (Sample),

This month, Foxarix reviewed online sources for exposed personal information, submitted removal requests where needed, and checked clean sources for reappearance.

THIS IS A SAMPLE REPORT FOR PRESENTATION PURPOSES ONLY.

Our team has reviewed exposed personal information sources, submitted removal requests where required, and marked clean sources for continued monitoring. Some removals can complete quickly, while others may take longer depending on each source.

Foxarix will continue checking your digital footprint and will update this report as new findings are discovered or existing removals are confirmed.

Foxarix Protection Score

Higher scores indicate stronger protection and fewer active exposure risks. The score is calculated from each source status and priority.

Recommendations & Next Steps

- ✓ Enable two-factor authentication on important accounts.
- ✓ Use alias emails for sign-ups where possible.
- ✓ Reduce public information on social media profiles.
- ✓ Avoid publishing phone numbers or home addresses on public profiles.
- ✓ Review old accounts and remove unused public profiles.

Next Report Available: May 2026

Foxarix will continue monitoring your exposure profile and checking completed removals for reappearance.
